

Boost your organizational health

Save time, drive revenue, and keep patients happy and healthy with Luma Health.

Innovative technology can help drive revenue to your organization, without costing you headaches. Luma Health is committed to orchestrating each patient’s journey and to supporting your business in the process.

Save time

Automating time-consuming tasks like repetitive phone calls and waitlist management saves tons of valuable staff time and cures some serious headaches.

Keep your provider’s schedules full, but not crammed, with schedule optimization so they spend their valuable time doing what they do best—treating patients.

Drive revenue

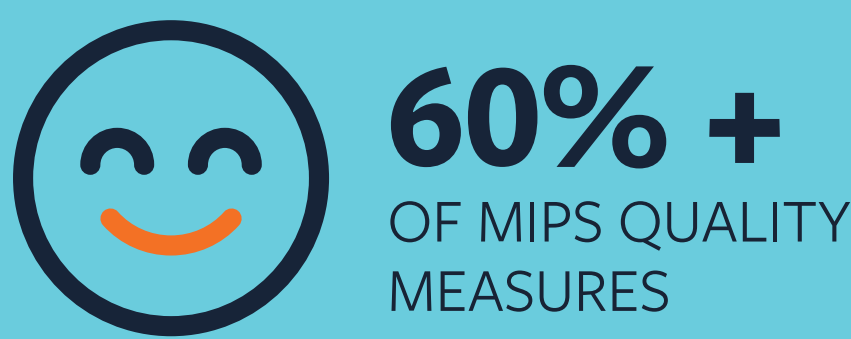

Customizable outreach increases access to care and helps you convert those referrals or reach patients on those attribution lists.

Easily attract new patients by generating glowing online reviews with reputation management.

Keep patients happy and healthy

Communicate with patients throughout their care journey to track their path to meeting care goals, and keep them coming back for all the right reasons. Healthy outcomes means increased success in value-based payment arrangements.

Luma Health makes smart, simple, and intuitive technology that streamlines the entire patient journey. Learn more about how choosing Luma Health as your technology partner can help you drive cost savings and boost revenue by requesting a demo at www.lumahealth.io.
