

Empowering Patients' Healthcare Journeys

Give patients a unified, transparent, and successful healthcare journey from access to payment.

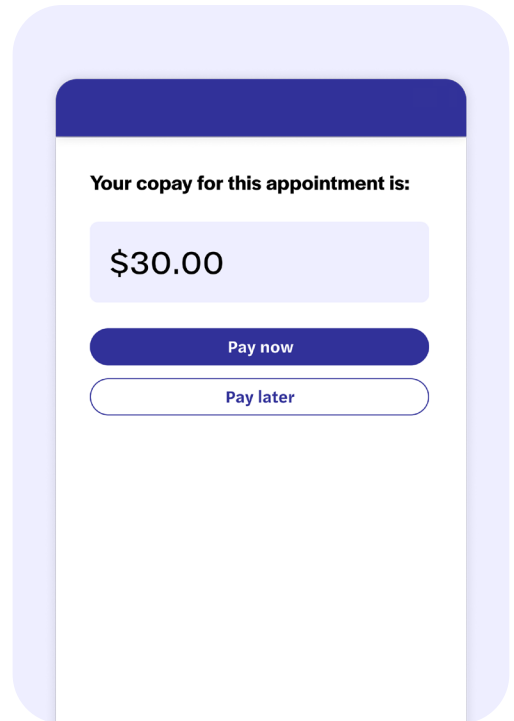

Patients are empowered to get more of the care they need when they understand their bills and have an easy way to pay. LumaFinancial™, Luma's financial journey system, integrates with your EHR and your existing systems to bring financials out of the back office and to the forefront. It supports more efficient staff, more informed patients, and better outcomes.

AVAILABLE NOW

LumaPay™

No logins, no sticky notes, no appointment day surprises.

LumaPay, LumaFinancial's payments module, automatically nudges patients with an upcoming appointment by text message when they have a due balance. Payment is easy to take care of right from their phones.

Payment processing partners

- InstaMed (preferred partner)
- Salucro (preferred partner)
- PayPal

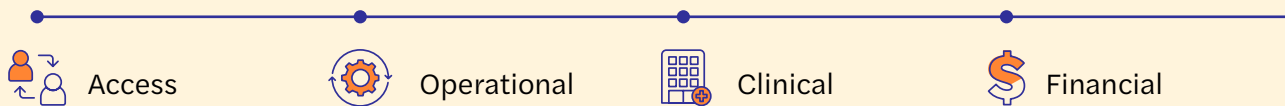

EHR partners

- eClinicalWorks (server-based)
 - NextGen
- (additional EHRs coming soon)

Making every patient journey successful

From accessing care to paying their bill afterwards, Luma's Patient Success Platform™ unifies all of the patient's journeys.
